Blessed be forever the name of God Elohim, the one true God, author of life, who created the dimensions of the eternal universes, and the Heavens and the Earth, and who transcends and rules with justice over all things, who sent us Jesus Christ His Son, our Lord and Savior, and who is eternally faithful, and righteous, and true, the Holy of Holies, God of love, incorruptible God, Almighty Lord of glory and Father of all justice and power, the only that can save and redeem, and who one that lives and reigns since all ever and to all ever, from everlasting to everlasting. Amen.

Decree 1

«Justice and judgment are the habitation of
your throne: mercy and truth shall go
before your face.» (Psalms 89:14)

God eternally rules over everything
by His power through justice
and judgment, and it is impossible
for Him to practice iniquity.
He is the supreme intelligence and
all things subsist in Him.

Decree 2

«Before the mountains were brought forth,
or ever you had formed the earth and the
world, even from everlasting to everlasting,
you are God.» (Psalms 90:2)

God is almighty, omniscient, and
transcendent to time. His love and
goodness endure forever on those
who fear him, and the strength of
his power exceeds all magnitude
and comprehension.

Decree 3

«Yes, before the day was I am he; and there is none that can deliver out of my hand: I will work, and who shall let it?» (Isaiah 43:13)

God is sovereign and judges everything with full vision and perfect wisdom. His understanding and His justice are unreachable and He cannot be defeated. He has all power and does whatever he pleases.

Decree 4

«Know therefore that the LORD your God, he is God, the faithful God, which keeps covenant and mercy with them that love him and keep his commandments to a thousand generations;»
(Deuteronomy 7:9)

**God is eternally faithful,
unchangeable and almighty.
All the counsel of his will is
established, His promises and laws
come true, and all the decree of
his Word unfailingly is fulfilled.**

Decree 5

«For the righteous LORD loves righteousness; his
countenance does behold the upright.»
(Psalms 11:7)

God is absolutely righteous and
upright, and He judges with the
most perfect justice and equity.
He beholds the right according
to truth, and repays each one
fully according to his works.

Decree 6

«For the LORD is good; his mercy is everlasting;
and his truth endures to all generations.»
(Psalms 100:5)

God is the truth and supreme good.
The fullness of all being and meaning,
of all sense and reality, of all
dimension and existence is generated
within Him, is within Him,
and exists for Him.

Decree 7

«And you shall be holy to me: for I the LORD am holy, and have severed you from other people, that you should be mine.»
(Leviticus 20:26)

God is infinitely holy,
unfathomably pure and
absolutely incorruptible.
The nature of His being is singular
and superexcellent, indivisible
and transcendent of all likeness.

Only Elohim is God, blessed be He,
who sent us Jesus Christ His Son,
and there is no, never was and never
will be any other God beside Him.
